**ANNEXURE I -  
STATEMENT OF MATERIAL FACTS PURSUANT TO SEC. 102**

**Item No. 1**

Considering the increasing fund requirements for the investment in upcoming solar power projects, Cattle feed business and Healthcare business of the Company, the Board of Directors consider it necessary to augment the funds position of the company. The board considers it impractical at this juncture to get loan/credit funding as the company remained non-operative for a long time in the past and had been a sick company. The board, therefore, consider it prudent and appropriate to dispose of some portion/substantially the whole of the immovable properties of the company which have no chance to be put to use by the company in the near future and to use the proceeds for this purpose. Your directors are hopeful to finalize some proposal during this financial year. Therefore, in compliance of Section 180(1)(a) of the Act, read with amended S. 110(1) of the Act, the board seek the consent of the general body for the proposals by way of the special resolution set out at item no. 1 of the notice. None of the directors, key managerial personnel of the company, or their relatives has any concern or interest in the resolution, except as shareholders. Hence, your Board of Directors recommend this Special Resolution for your approval.
